

# AUTHORIZED PROCEDURES FOR EMT PERSONNEL

## Policy

Upon proper training, EMTs may perform all procedures authorized in the EMT Scope of Practice according to CCR Title 22, Division 9, Chapter 3.1

## EMT Optional Skills

- Accreditation for EMTs to practice optional skills shall be limited to those whose certificate is active and who are employed within the jurisdiction of the Marin County EMS Agency by a provider who is part of the Marin County organized EMS system
- The following optional skills may be performed after the EMT has received training approved by the Marin County EMS Agency:
  - Administration of pre-packaged Atropine and Pralidoxime Chloride (2-Pam)
  - Administration of epinephrine by pre-filled syringe and/or drawing up the proper medication dose into a syringe for suspected anaphylaxis and/or severe asthma
  - Insertion of adult i-gel if unable to maintain BLS airway
